Ref: 3rd Party Payment Status

Dear Ms. Mackin and Ms. Manion:

On Thursday, July 9, 2020 the GSA Contracting Officer received both a phone call and email from Mr. Noah Meissner, representative of the CAC/Motir Surety, confirming that all outstanding funding issues regarding the funds control agreement for the 1800 F Collocation project had been resolved and paperwork was being finalized to provide account information to resume payments. GSA has not yet received any paperwork or account information from the surety. It is imperative to maintain the delivery schedule on this project. GSA intends to process pending pay applications.

GSA requests your assistance with obtaining the accounting information, but coordinating with the contractor and the surety to the extent reasonable and proper. GSA desires to process payments on Friday, July 17, 2020.

Sincerely,

Chrischanda S. Smith
Contracting Officer
